Subject: New Customer and Vendor Numbers for Department of Administration and State Fiscal Accountability Authority

Audience: FI Directors

As of July 1, 2015, (FY2016) Business Areas F030 and D170 no longer exist. The Budget and Control Board (F030) and the Governor's Office (D170) converted to either the Department of Administration (D500) or the State Fiscal Accountability Authority (E550). Below you will find a link to a customer and vendor conversion workbook that crosswalks the old SCEIS vendor name and number to the new vendor name and number, along with the address data. When processing your interdepartmental transfers (IDTs), please use the new customer numbers according to the spreadsheet below for your IDT billing process. The spreadsheet is also posted on the SCEIS Weekly Updates page in conjunction with this message.
