

Subject: Updated Functionality - PA20 and IT0077

Audience: HR Directors, SCEIS Weekly Update Recipients (All SCEIS Agencies)

The SCEIS team is pleased to announce updated functionality for PA20 (Display Master Data transaction) and IT0077 (Info Type: Additional Personal Data).

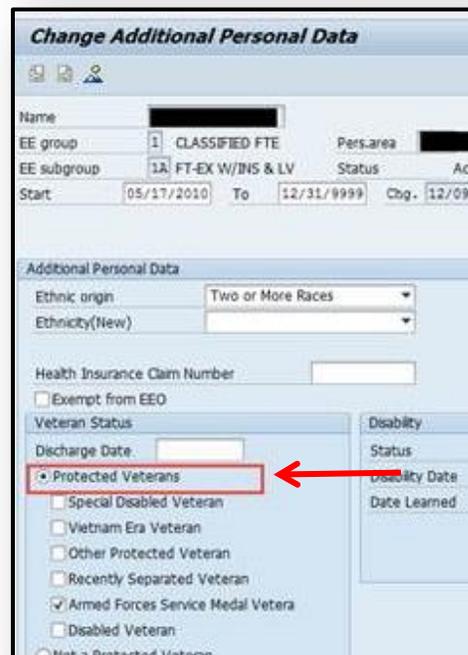

PA20 Update

The system **now includes a refresh button on the PA20 display screen**. You will be able to click this button to refresh the employee record if the personnel number is locked and being updated in PA30 (Maintain HR Master Data).

Infotype 0077 Update

The Veteran Status area for Infotype 0077 (Additional Personal Data) has been **modified**. If Protected Veteran Status needs to be updated, **simply select the radio button beside "Protected Veterans" and then click Enter to open the various veteran statuses available in the list**. Select the appropriate status and click Save when you have completed your work in IT0077.

If you have any questions this information, please contact the SCEIS Service Desk at (803) 896-0001 (select option 1 for SCEIS help) or use the email form available at the following link:
