

Subject: Seats Are Still Available for the April 5 AM300 Asset Masters and Asset Reporting Class

Audience: Finance Directors, Agency Training Coordinators, AST Leads

There are still seats available for the AM300 Asset Masters and Asset Reporting class on Tuesday, April 5, 2016. The SCEIS Team encourages all users with the Asset Accountant, Asset Custodian and Asset Manager SCEIS roles to register for this class today! **Note: This is the only scheduled AM300 class during the Spring 2016 term. The next opportunity to take this class will not be until Fall 2016.**

Below you will find details about the class, including the name, description, target audience, date, location and registration information. **Please forward this message to appropriate staff members within your agency.**

AM300 – Class Information

Class ID/Title: AM300 – Asset Masters and Asset Reporting

Description: This class covers how to create asset shells; how and when asset shells are introduced into the procurement process; and how asset shells are involved in the procurement process. This class covers how to change, display, block and delete asset shells. This class also enables participants to understand the steps involved in executing asset reports. This class covers how to execute and interpret SAP standard fixed asset reports.

Target Audience: Employees with the following roles: Asset Accountant, Asset Custodian and Asset Manager.

Pre-requisites:

The following pre-requisite(s) MUST be completed prior to attending the classroom training. Completion of the pre-requisite(s) ensures that participants have the necessary knowledge for class. Material covered in pre-requisite courses will not be re-taught in classroom training.

- COR120 Enterprise Central Component (ECC) Navigation online class
