# New Requests: Action Required

# New Requests

RFC Number	Description	Number of Hours
000250	<b>SRM and HR Organizational Structures Synchronization:</b> Standard SAP is for SRM and HR organizational structures to be synchronized. Integration of SRM and HR org structures should eliminate manual maintenance of org structure elements in SRM.	190
000347	<b>Add internal/external Eliminations Report:</b>	255
000356	<b>SCDHHS Interface Replacement and Integration with MMIS:</b> In lieu of maintaining redundant accounting and finance functionality in the Medicaid Management Information System (MMIS), building new functionality in the replacement MMIS (RMMIS) and/or outsourcing through a third party service provider, SCDHHS proposes to leverage existing accounting and finance functionality in SCEIS to pay Medicaid providers for services delivered to the State's Medicaid recipients. High level business requirements for this enhancement request include the following.	1,860
