- ④ **Next Meeting**
- ④ **Adjournment**

Adoption of Agenda and Minutes

New Request: Action Required

RFC Number	Description	Number of Hours
000356	SCDHHS Interface Replacement and Integration with MMIS: In lieu of maintaining redundant accounting and finance functionality in the Medicaid Management Information System (MMIS), building new functionality in the replacement MMIS (RMMIS) and/or outsourcing through a third party service provider, SCDHHS proposes to leverage existing accounting and finance functionality in SCEIS to pay Medicaid providers for services delivered to the State's Medicaid recipients. High level business requirements for this enhancement request include the following.	1,860

Wrap-up
Next Meeting TBD

Meeting Adjourned
