

Subject: One Section of the AM300 Asset Masters and Asset Reporting Class
Announced

Audience: Finance Directors, Agency Training Coordinators, AST Leads

The SCEIS Training Team is pleased to offer one section of the full-day class, AM300 Asset Masters and Asset Reporting on Monday, April 11, 2016. This class covers how to create asset shells, how and when asset shells are introduced into the procurement process, and how asset shells are involved in the procurement process.

Below you will find details about the class, including the name, description, target audience, date, location, and registration information. **Please forward this message to appropriate staff members within your agency.**

AM300 – Class Information

Class ID/Title: AM300 – Asset Masters and Asset Reporting

Description: This class covers how to create asset shells, how and when asset shells are introduced into the procurement process, and how asset shells are involved in the procurement process. This class covers how to change, display, block, and delete asset shells. This class also enables participants to understand the steps involved in executing asset reports. This class covers how to execute and interpret SAP standard fixed asset reports.

Target Audience: Employees with the following roles: Asset Accountant, Asset Custodian and Asset Manager.

Pre-requisites:

The following pre-requisite(s) MUST be completed prior to attending the classroom training. Completion of the pre-requisite(s) ensures that participants have the necessary knowledge for class. Material covered in pre-requisite courses will not be re-taught in classroom training.
