Subject: One Section of the PS300 Project Systems Class Announced

Audience: Finance Directors, Agency Training Coordinators, AST Leads

The SCEIS Training Team is pleased to offer one section of the two-day training class PS300 Project Systems on Wednesday and Thursday, March 30-31, 2016. Below you will find details about the class, including the name, description, target audience, date, location, and registration information. **Please forward this message to appropriate staff members within your agency.**

PS300 – Class Information

Class ID/Title: PS300 Project Systems

Description: This class is intended to enable participants to understand the steps involved in Project Systems as well as enable users to perform the associated transactions. This class is also intended to enable participants to understand the reports related to Project Systems.

Target Audience: Users with the following roles: Project Accountant and Project Manager.

Pre-requisites:

The following pre-requisite(s) MUST be completed prior to attending the classroom training. Completion of the pre-requisite(s) ensures that participants have the necessary knowledge for class. Material covered in pre-requisite courses will not be re-taught in classroom training.

- COR120U Enterprise Central Component (ECC) Navigation online class

PS300 – Section 01 – Spring 2016 Details
