

## Weekly Update

*Week of December 11, 2017*

**Subject:** Security Change to SCEIS Sites – Update May Be Required  
**Audience:** All SCEIS Users

Effective December 18, there will be a security change to SCEIS sites. This change should not affect SCEIS functionality; however it will prevent users from connecting to SCEIS from unsupported systems.

If you currently connect to SCEIS with a PC using an operating system (such as Windows XP) that is no longer supported by the manufacturer, or if you use an unsupported Internet browser software, please be aware that you will be unable to access SCEIS after December 18 unless you upgrade.

If you have questions about this information, please contact the SCEIS Service Desk at (803) 896-0001 (select option 1 for SCEIS help) or use the email form available at the following link: <http://www.sceis.sc.gov/requests/>.
