

Subject: Nightly Data Processing Change Effective Friday, Nov. 1, 2019

Audience: AST Leads, Finance Directors, HR Directors and Procurement Directors

Effective Friday, Nov. 1, 2019, SCEIS nightly data processing will include locking BW from 9 p.m.–7 a.m. During that time, the SCEIS BW system and BOBJ reports that access BW data will not function. This will enable data to process overnight without interruption to help ensure that BW report data is current each day.

If you have any questions about this, please contact the SCEIS Service Desk at (803-896-0001 and select option 1 for SCEIS help) or email the Service Desk using the form at the following link: <http://www.sceis.sc.gov/requests/>.
