

**Subject:** BW Queries in ECC – Grants Data Dictionary and  
BW Queries in ECC – Logistics Data Dictionary now available

**Audience:** Grants and Logistics reporting users

The SCEIS Team is pleased to announce the availability of the Grants Data Dictionary and Logistics Data Dictionary for BW queries that are in ECC. Grants and Logistics users may refer to these documents to identify reports they may need.

Each Grants and Logistics report listed in the data dictionaries includes the:

- Technical Name
- Description
- Role
- Selection Criteria
- Rows
- Free Characteristics
- Results Column

The data dictionaries also include a table of contents for a quick reference to the list of reports in alphabetical order and the page number for each report, as well as a glossary of field definitions. Click [here](#) to begin using these reference tools.

If you have questions, please Contact the SCEIS Help Desk (803-896-0001 and **select option 2** for SCEIS issues or visit <http://sceis.sc.gov/requests>).

Thank you,  
The SCEIS Team
