

Subject: New RPC100 Report Center for MySCLearning Course Scheduled for Oct. 20, 2020

Audience: MySCLearning Learning Administrators and Coordinators

The SCEIS Team is excited to announce a new course, RPC100 Report Center for MySCLearning. The course is scheduled via webinar for 8:30 a.m.-12:30 p.m., Tuesday, Oct. 20, 2020.

RPC100 is an introduction to Report Center, a centralized reporting tool for the My Talent modules. This course addresses the needs for MySCLearning reporting only. Report Center will allow for the building of reports by selecting the appropriate columns and/or data that the agency needs.

This is a hands-on course which will require the assignment of the Report Manager role. Approval must be obtained by the appropriate agency Data Owner, or designee, for the role to be assigned before class.

For more information on the RPC100 course, including registration instructions, see the [RPC100 Course Information document](#).
