Subject: Internet Explorer is no longer supported by SCEIS
Audience: All SCEIS Users

System updates were deployed during the holiday weekend. The SCEIS team quickly learned that some transactions can no longer be completed in Internet Explorer (IE). Based on these updates and the upcoming retirement of IE, users should **no longer process SCEIS transactions in Internet Explorer.**

Chrome is now the recommended browser. This applies to all areas of the system (Enterprise Core Component, Business Warehouse, Business Objects, Supplier Relationship Management, Vendor Registration System and SCEIS Central).

If you have any questions, please contact the SCEIS Help Desk (803-896-0001 and select option 2 for SCEIS issues or visit http://sceis.sc.gov/requests).

Thank you,
The SCEIS Team
