Subject: Planned system maintenance Tuesday, June 18, 2024

Good afternoon,

SCEIS will perform planned system maintenance 5:30 p.m.-8:30 p.m. Tuesday, June 18, 2024.

While the planned maintenance is underway, solicitation search, contract search and National Institute of Governmental Purchasing (NIGP) codes search will not be available. All other SCEIS systems will be available. Business Warehouse data will not be impacted.

To ensure your agency is prepared for this planned system maintenance, please forward this message to employees who use solicitation search, contract search and NIGP search.

If you have questions, contact the SCEIS Help Desk at 803-896-0001 and select option 2 for SCEIS issues or visit <https://sceis.sc.gov/requests>.

Thank you,
The SCEIS Team
