PS300 Project Systems course

Class Date: Monday-Tuesday, Dec. 9-10, 2024

Class Time: 9 a.m.-5 p.m.

Note: You must attend the entire class to receive credit.

Class Location:

SCEIS Training Room 202

1628 Browning Road, Columbia

[PS300 Course Information and Registration Instructions](#)

This instructor-led course will provide participants with the skills necessary to execute business processes in Project Systems (PS). Users will become more familiar with PS transactions and learn how to generate reports used to analyze projects. Participants will leave with a deeper understanding of how projects are created and maintained, the proper use of work breakdown structure (WBS) elements, as well as the impact projects have on assets and budget.

Pre-requisites:

The following online course must be completed before registering for the class:

- **ECC100V SCEIS ECC Basic Navigation** online course. Click [here](#) for more information on ECC100V.
