

Bidding SRM Guide to Hard Stop and Common Errors

| Contract Errors or Issues | Resolution |
|--|--|
| <p> Vendor does not allow surrogate bidding</p> | <p>Problem: Prior to 2007, vendors had to manually check Allow Surrogate Bidding when they registered. Today, any vendor that registers the Permit Proxy Bidding is checked by default.</p> <p>Solution: Submit Help Desk Ticket to SCEIS Materials Management Team to update Suppliers information to allow Proxy Bidding. This is something that the SCEIS MM Team must fix.</p> |
