

Subject: Effective December 19: Removal of Functionality to Replace a Shopping Cart Approver in SRM

Audience: Procurement Directors, AST Leads

On September 9, 2011, the SCEIS Team distributed a message with the subject line “Functionality to Replace a Shopping Cart Approver.” In this message, we notified users of Supplier Relationship Management (SRM) shopping cart functionality to “replace” an existing shopping cart approver with a substitute approver.

Effective December 19, 2011, this functionality will no longer be available. Beginning on that date, users will not be able to access the “Change” button that opens the “Replace Approver” section of the screen. **Please distribute this information to SCEIS users in your agency who create or approve shopping carts.**
