

**Subject:** Functionality to Replace a Shopping Cart Approver in SRM Still Available

**Audience:** Procurement Directors, AST Leads

In the Monday, December 12, 2011 Weekly Update we informed you that the SCEIS Team would be removing functionality to replace a shopping cart approver in the Supplier Relationship Management (SRM) portion of SCEIS. After making this announcement, the SCEIS Team received feedback from some agencies asking that we reconsider this decision. Per this feedback, **the SCEIS Team has suspended plans to eliminate this functionality, and it is currently available in the SCEIS System.**

The SCEIS Team plans to seek additional user input on this functionality to replace a shopping cart approver in the New Year, and will re-evaluate it based on that input. If the SCEIS Team determines, based on this feedback, that changes or elimination of this functionality are necessary, we will notify you accordingly.
