

Error or Issue	Resolution
 Back-End Error Indicator for GR used not allowed	<p><b>Problem:</b> The PO Line Item was created with the "Related Documents" tab's "Good Receipt/Confirmation of Performance of Service" checkbox unchecked. Now, the user is attempting to process a Goods Receipt.</p> <p><b>Solution:</b> Because there is PO History with Invoice Receipts without a Goods Receipt, a Goods Receipt cannot be processed now on this specific Line Item.</p>
