Subject: New MySCLearning Integrated Learning Experience is Live

The new Integrated Learning Experience (ILX) for MySCLearning powered by SuccessFactors, introduced Fall 2024, is now live. SCEIS users will no longer have access to the legacy MySCLearning homepage.

The new ILX provides users with a modern dashboard experience, improved navigation and a more personalized learning experience.

Refer to the [MySCLearning Page Overview](#) for a detailed walk through of the new layout.

For additional assistance, please contact the SCEIS Service Desk at 803.896.0001 (option 2) or [submit a Service Desk ticket](#).

Happy learning!

The Division of Enterprise Applications (DEA) Team
