Subject: Full House for Friday's User Group Meeting

Good Morning SCEIS Users:

The SCEIS Team has received an unusually high number of registrations for the [User Group](#) meeting tomorrow. We have arranged for overflow seating to help us accommodate all users who plan to join us, but even with this added seating capacity, **we anticipate space will be tight in the auditorium and the overflow room.**

The SCEIS Team encourages users who will be joining us for tomorrow's User Group meeting to plan accordingly and be prepared for a very full house.

If you have any questions about this message, please email them to sceis@sceis.sc.gov.

Thank you,
The SCEIS User Group Leads Committee and the SCEIS Team
