Course Information

PR217 Creating and Managing Purchase Orders

Description
This instructor-led course will use knowledge checks and plenty of hands-on exercises to help buyers understand the procedures, tools, information, and systems available for successful purchasing. This course will cover the following:

- Key terms such as master data, purchasing document types and contract values;
- Key concepts such as
  - validating a shopping cart prior to perform sourcing,
  - creating contract and non-contract-based purchase orders,
  - making changes before rather than after a purchase order is “ordered,”
  - monitoring and tracking follow-on documents and changes to a purchase order,
  - adding attachments, notes, terms and conditions to purchase orders
  - Lock Line Item, No Further Invoice and No Further Confirmation; and
- Understanding SRM messages and resolving errors.

Target Audience
Buyers who create purchase orders
