

# Review Course Materials after Completing a Course in MySCLearning

## 1 Log in to MySCLearning

See “Log in to MySCLearning.”

## 2 Open your *Learning History*

The Learning History tile may appear collapsed or expanded. In either display, click *View All*.

## 3 Review the content of a completed *online* course

- In the Completed Work list, hover on the title of an *online* course.
- Select *Review Content* from the fly-out menu.

**TIP:** For instructor-led courses, Review Content is not available here. You can access these materials as you did when you took the course. See “Print Materials for an Instructor-Led Course” for step-by-step instructions.
