Review Course Materials after Completing an Online Course

1 Log in to MySCLearning

See “Log in to MySCLearning.”

2 Open your Learning History

The Learning History tile may appear collapsed or expanded. In either display, click View All.

3 Review the content of a completed online course

a) In the Completed Work list, hover on the title of an online course.
b) From the fly-out menu, select Review Content.

**TIP:** For instructor-led courses, Review Content is not available in Learning History. You can access instructor-led class materials as you did when you took the class. See “Print Materials for an Instructor-Led Class.”
