# Review Course Materials after Completing an Online Course

1 Log in to MySCLearning

See "Log in to MySCLearning."

2 Open your Learning History

The Learning History tile may appear collapsed or expanded. In either display, click *View All*.

3 Review the content of a completed *online* course

a) In the list of Completed Work, hover on the title of an *online* course.
b) From the fly-out menu, select *Review Content*.

TIP *For instructor-led courses,* Review Content *is not available in Learning History. You can access the materials for an instructor-led class as you did when you took the class. See "Download Materials for an Instructor-Led Class."*
