

Subject: Visit the New SRM 7.2 Microsite for the Latest Information on the SRM Upgrade
Audience: Procurement Directors, SRM Users

The SCEIS Team is pleased to announce a new microsite within the SCEIS website to provide news and information on the Supplier Relationship Management (SRM) 7.2 upgrade! Below is a screen shot of the navigation page showing the different sub-pages that are available in each section of the microsite beginning today.

The direct link to the SRM 7.2 microsite is <http://www.sceis.sc.gov/page.aspx?id=250>. To navigate to the SRM 7.2 microsite, simply click on the large button that appears just under the animated banner on the SCEIS website home page (<http://www.sceis.sc.gov>).

More information will be added to the microsite as the SRM 7.2 upgrade implementation continues, so check back often for new information!
