Purchase orders will be grouped by vendor number regardless of the number of lines on the shopping cart, the number of shopping carts or whether an assigned vendor or preferred vendor was selected.

Status: In Process

Target Date of Resolution of Forms: Form changes will be put in Production in several stages.

SCEIS will continue to make improvements to the purchase order forms.

- The appearance of the PO text for “Instructions to Vendor” and “Description” was changed to allow additional spacing and formatting.
