

Subject: The SCEIS RUG Invites Finance Business Objects Users to Attend an Enterprise Reporting Workshop on Friday, May 25, 2012

Audience: Finance Directors

At the Friday, May 18, 2012 User Group meeting, User Group Leads Committee chair John Taylor announced a unique opportunity for Finance Business Objects users. On Friday, May 25, John will conduct a workshop on the six Business Objects Enterprise Reports (also known as the STARS equivalent reports) that the SCEIS Team prepares and distributes to agency Finance Directors each month:

- Budget vs. Actual [STARS 424]
- Expenditures by Object [STARS 427]
- Appropriations Balances [STARS 477]
- Available Cash [STARS 404]
- Estimated Revenue vs. Cash Received [STARS 406]
- AR Aging

During the workshop, John will show the reports and discuss them in detail, including customizations that agencies can apply to meet their unique business needs. (This session does not involve hands-on computer training for users.) He encourages users to come prepared with questions and comments.
