

View Your Enrollments in MySCLearning

1 Log in to MySCLearning

See “Log in to MySCLearning.”

2 View a list of your courses

All your assigned courses are in the *My Learning Assignments* tile. You may need to scroll to the far-right side of your screen to view it.

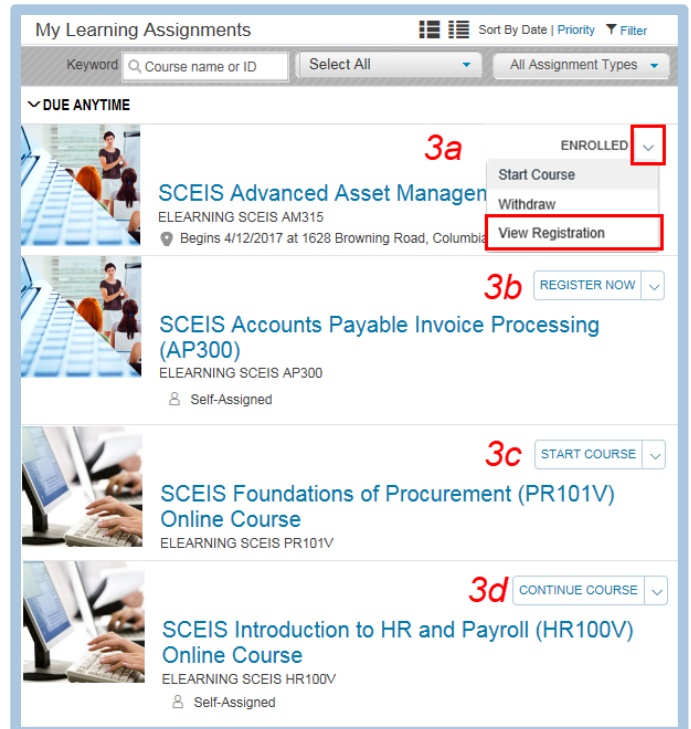

- Your online courses are available to “Start” or “Continue” from here.
- Your assigned instructor-led classes are listed here, whether you are registered or not. See “Register for an Instructor-Led Class.”

TIP You may need to expand the tile: Hover your mouse on the upper-right corner and click the Plus icon.

3 View more details about your courses and classes

- Enrolled** – You are registered for a class. To see the class date, time and location, click the down-arrow beside “Enrolled,” and select *View Registration*.
- Register Now** – You still need to register for a class. Click *Register Now* to select a date and complete the registration. See “Register for an Instructor-Led Class.”
- Start Course** – You can begin this online course. Click *Start Course*.
- Continue Course** – You had started this online course and paused it before completion. Click *Continue Course* to pick up where you left off.
