

Subject: Please Review Your Agency's General Fund Appropriations in the SCEIS FMAVCR01 Report As Soon As Possible

Audience: Budget and Finance Users

Proviso 117.24 authorizes agencies to carry forward a percentage up to 10% of unspent General Fund, 10010000, appropriations to the next fiscal year. (This Proviso may be suspended to avoid a fiscal year-end General Fund deficit.)

A review of the FMAVCR01 report reveals that there are many agencies that have not consumed 90% of their General Fund, 10010000, appropriations and are in a position of potentially losing some of the benefit of the Proviso.

Agencies are advised to review their FMAVCR01 report, giving special attention to the General Fund appropriations, and make any entries needed before the July 24 deadline.
